L'ELISIR D'AMORE

(The Elixir of Love)

Music by Gaetano Donizetti

Sung in Italian with English Supertitles

Saturday, March 18, 2006 at 7:30 p.m.

Artistic Director: *Dita Delman*

Conductor: *James Sadewhite*

Join SRO for Donizetti's powerful score with its soaring arias and famous choruses as we celebrate our 31st anniversary at an easily accessible metropolitan location, the Alexander Kasser Theater at Montclair State University, Montclair, New Jersey.

State Repertory Opera's fun filled version of Donizetti's opera is set in the "Old West" in the late 1800's. The age old story of boy loves girl and girl plays hard-to-get is still the same today. The "snake oil" salesman who comes to the little town to sell his miraculous remedies is part of history all over the world. However, the "Elixir" he sells to the lovelorn lad turns out to be the Real Thing - or so they all think - until we get to the true reason and then the very happy ending. Fabulous singing and lots of dancing make this production a must-see for all opera lovers.
